

## EXPRESSIONS OF INTEREST

### Mental Health Clinicians - COBH or *headspace*

For candidates relocating from interstate, we will support Fly In/Fly Out from Adelaide for 6 months to support relocation.

**Exciting and flexible opportunities exist for dedicated health professionals to join our team to deliver much needed psychological services within our region.**

**This is your opportunity to make a real and valuable contribution in our communities utilising your skills and experience.**

#### **About us:**

We are a progressive and innovative service provider working with health professionals, general practice, government, local agencies and community members to deliver integrated, evidence based, multidisciplinary primary healthcare and support services. We have multiple offices throughout regional South Australia.

We have experienced significant growth, and we like to think outside of the square when it comes to meeting the demands in service delivery to our communities. We are open to both full time and part time clinicians, who are prepared to work and live in a relaxed regional setting just minutes away from work.

#### **In this role, you will:**

- Be responsible for planning, delivering and evaluating discipline specific clinical services in accordance with organisational and program funding guidelines
- Contribute to the delivery of focused psychological strategies and evidence based therapeutic interventions through the application of your qualifications and experience
- Deliver a co-operative, multi-disciplinary model of care for our communities and work closely with your colleagues and our service partners to maximise opportunities to identify innovative, co-ordinated solutions for clients

#### **Whats in it for you?**

- The opportunity to work with different populations and presentations to maintain clinical interest and develop your skill set
- Continually develop new skills and experience
- Make a difference to the lives of regional and remote South Australians
- Gain satisfaction from the diverse range of work

#### **Employment conditions include;**

- 5 weeks annual leave (part time pro-rata)
- Salary Packaging including novated lease to eligible employees

#### **Qualifications:**

- The role is applicable to suitably experienced and qualified Psychologists, Social Workers, Occupational Therapists trained in mental health, or Mental Health Nurses.
- Candidates interested in *headspace* opportunities, will have a demonstrated level of skill and experience with working with young people (12-25 yrs) and families.
- You will hold a current registration with AHPRA and/or membership/eligibility for membership of professional association
- You will have a demonstrated knowledge and clinical experience in mental health.
- A demonstrated level of skill and experience with working with children, adolescents and adults is desirable, however not necessary.
