care finder

Care finder support may be available if you:

- Don't have family or a support person who can help you
- Have difficulty understanding information or making decisions
- Have trouble reading and writing in English
- Have worries about engaging with Aged Care Services or Government
- Don't know what services are available

Our care finders can help with:

- Connecting to My Aged Care and support you through the Assessment Process
- Completing forms and understanding aged care service agreements
- Connecting to other support in the community such as health and fitness, mental health, housing and homelessness and community groups that meet your individual needs
